

Sunquick Lanka (Pvt) Ltd., was incorporated on the 2nd of May 2017 following a Joint Venture Agreement between C. W. Mackie PLC and CO-RO Food A/S, Denmark, for the purpose of manufacturing, processing, and marketing of fruit squash concentrate and ready-to-drink fruit drinks under the brand name of Sunquick. The sales and Distribution of Sunquick product is handled by C. W. Mackie PLC.

The marketing is a joint effort between brand owner CO-RO Food A/S and C.W. Mackie PLC. CO-RO Food A/S was founded in 1942, and its premium fruit-based brands are sold in more than 70 countries. Operating globally since 1945, it is firmly committed to delivering high quality products of outstanding taste and compelling brand experiences to consumers.

Distribution of Sunquick brand squash concentrate started in 1979 by Scan Products (Pvt) Ltd., in partnership with CO-RO Food A/S, Denmark and the local manufacturing operation began in the year 1999. Since then, Sunquick brand fruit squash concentrate has been the market leader in Sri Lanka. The factory is located in a beautiful setting in Munagama, Horana, Sri Lanka where all products are manufactured.

The squash concentrate is sold in glass bottles in the consumer market and plastic canisters for the catering sector. Sunquick is a high-quality drink made with fruit juice, it contains no artificial colors or flavors and is a source of Vitamin C, A & E. Each bottle of concentrate gives you many liters of delicious refreshing drink, making Sunquick perfect for sharing with family and friends.

The facility produces around 2.5 million liters of fruit squash concentrate drinks in nine flavors in 330 ml, 840 ml and 2L package sizes. The company has also introduced a ready to serve drink in 2019 in four main flavors. In 2021, the company has expanded their product portfolio and initiated the production of 200 ml and 125 ml ready to serve drinks production in aseptic pack.

Emprising™, from Great Place to Work®, is the only employee experience platform built upon 30 years of research and data to take the guesswork out of culture work. And Sunquick Sri Lanka has been recognized as a Great Place to Work in Sri Lanka in 2021,2022,2023!

Great Place to Work® Certification™ is the most definitive “employer-of-choice” recognition that companies aspire to achieve. It is the only recognition based entirely on what employee’s report about their workplace experience –specifically, how consistently they experience a high-trust workplace.

This recognition is a solid indication of the dedication we put across to deliver the best range of products to our customers whilst maintaining our mutual relationships with our key stakeholders.

Sunquick Lanka (Pvt.) Ltd. earned this credential based on extensive ratings provided by its employees in an anonymous survey conducted by Great Place to Work®. The ratings were based on five main pillars; employee credibility towards the organization, respect to each other, fairness, pride, and camaraderie. Having established an employee-centric environment where everyone is given clearly defined responsibilities or ownership, Sunquick consistently produces good quality products responsibly resulting in satisfied customers. This in turn contributes to the formation of a loyal customer base that maximizes the consumer experience.

Integrated Management System Policy

Food safety and quality commitment

We are committed to achieving the highest possible standards in every aspect of our business activities providing the customer with an efficient service and quality products that are safe and wholesome.
